- (5) Failing to complete community service work at the direction of the probation officer, as of February 2007, in violation of the special condition that she complete 50 hours of community service as approved and directed by the probation officer.

I advised the defendant of these charges and of her constitutional rights. At today's hearing Defendant admitted the violations, waived any hearing as to whether it occurred, and consented to having the matter set for a disposition hearing before the Hon. John C. Coughenour.
